A DEVELOPER MAY ELECT TO PREPARE AN AMENDED PUBLIC REPORT FOR USE IN THE SALE OF TIMEShare INTERESTS AS FOLLOWS:

1. 6. The department shall provide forms and guidelines for the submission of the application and amended public report pursuant to this subsection.

B. In the event of denial, suspension or revocation, grounds shall be set forth in writing at the time of denial, suspension or revocation. The commissioner may deny, suspend or revoke the public report on any of the following grounds:

of property or use that would clearly be detrimental to property values in
that neighborhood.

D. If the timeshare property is within an active management area,
as defined in section 45-402, the commissioner shall deny issuance of a
public report unless the developer has been issued a certificate of assured
water supply by the director of water resources and has paid all applicable
fees pursuant to sections 48-3772 and 48-3774.01, or unless the developer has
obtained a written commitment of water service for the timeshare property
from a city, town or private water company designated as having an assured
water supply by the director of water resources pursuant to section 48-3774.

E. In areas outside of active management areas, if the timeshare
property is located in a county that has adopted the provision authorized by

director of water resources under section 45-108.03.
4. The subdivision received final plat approval from the city, town or county before the requirement for an adequate water supply became effective in the city, town or county, and there have been no material changes to the plat since the final plat approval. If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to the rules adopted by the director to implement section 45-108.

E. F. In addition to providing to each prospective customer a copy of the public report as required in subsection A of this section, the developer shall also provide to each customer before the close of any transaction information and materials that identify any timeshare exchange companies currently under contract and disclosure statements regarding the use of the timeshare exchange companies, as well as any additional information the commissioner deems appropriate.

F. G. The commissioner may authorize for use in this state by a developer of a timeshare plan in which all accommodations are located outside of this state a current public report that is issued by another jurisdiction or an equivalent registration and disclosure document that is required before offering a timeshare plan for sale, lease or use and that is issued by another jurisdiction.
